

## css copycat exercise

### ADDTHIS SHARE BUTTONS STYLING

Make the background color of your addthis buttons match this graphic:

Follow these steps:

- + Go to [addthis.com](https://addthis.com) and create an account.
- + Follow the steps to create a set of buttons. *Note: any set of buttons will do, it does not have to be the exact same ones.*
- + Insert the HTML snippet [addthis.com](https://addthis.com) will give you into the body of `addthis.html`.
- + Identify the background color used in the graphic above.
- + Add one or more CSS rules to the header of `addthis.html` that set the background color of your set of buttons to the same background color as the set of buttons in this document.
